

# Shop & Save

## Why should you shop?

Better use of HSA's

Shopping your healthcare means becoming aware of your expenses and making decisions to decrease those costs

Reduce Individual & organizational healthcare expenses

## How do you save?

Shopping can steer you towards quality providers with lower costs.

Find Pharmacies with cheaper prescription medication costs.

## Resources

Community First Pharmacy ([www.communityfirstrx.org](http://www.communityfirstrx.org))

[www.goodrx.com](http://www.goodrx.com) (mobile apps are available for Android and Iphone)

Logging into your [www.myuhc.com](http://www.myuhc.com) account and using tools to estimate health care costs and manage prescriptions.

**Get information you can trust. Anywhere, anytime.**

myuhc.com® is your 24/7, one-stop shop for health information, health plan tools, and helpful apps.
